

Nordson Corporation Foundation “Big Build”

Thank you for your interest in applying for Nordson Corporation Foundation’s “Big Build.” Each year Nordson Corporation Foundation chooses a community near one of our U.S. facilities for the “Big Build.” When selecting an organization for our “Big Build,” we look for ways to improve our community by promoting creativity and learning. In the past the “Big Build” has built basketball courts, picnic areas, playgrounds, and a riding corral. In order for Nordson Corporation to consider your organization, we ask that you complete this application and submit photographs of the potential space. In addition, there may also be a visit to the potential site conducted by Nordson Corporation Foundation staff.

Thank you and good luck!

“Big Build” Application

Today’s Date: _____

Organization Name: _____

Contact Name: _____ Phone Number: _____

Organization Address: _____

City: _____ State: _____ Zip: _____

County: _____

Potential “Big Build” Address (if different): _____

City: _____ State: _____ Zip: _____

Please tell us about your organization:

How would your organization benefit from the “Big Build”?

How would the community benefit from the “Big Build”? (Include number of potential users)

Have you begun the planning process? Yes No

If the planning process has begun, what has been planned thus far?

Do you have a budget? If so, what is it?

Please provide a detailed breakdown of equipment needs. Can attach separate sheet(s).

Have other organizations been approached to aid your funding of this project? If so, which ones?

Please describe how you plan to use your space.

Which organizations or individuals would be involved in the process of the “Big Build” (volunteers, other nonprofit organizations, parents, and children)?

We will review every application. Once a decision has been reached, we will contact you. Thank you again for your time and effort.

All applications and materials should be submitted to the following address:

Nordson Corporation Foundation
